

Chateau Valca Colloquium

Program

- EU on the way to a free Europe
- 2D centralization versus 3D decentralization: where are the limits of anarchy?
- Fooled by moneyness - what Taleb got wrong about bitcoin and money for that matter
- Negotium fatio, ergo sum. I'm in business, so I am.
- Legal separation from the state.
- Market, morality and free society. Do they need each other and in what relationship are they?
- Emergence and development of environmentalism.
